

Discounted **CDA** funding helps members support economic development and mixed-use initiatives in their communities.

CDA funds can be used to provide financing for the purchase, construction, refinance, rehabilitation, and/or predevelopment financing of:

- Commercial initiatives, such as shopping centers, office buildings, hotels, and retail stores;
- Industrial and manufacturing initiatives, such as factories, bakeries, warehouses, and assembly plants;
- Public-facility initiatives, such as buildings and vehicles for police and fire departments;
- Social-service initiatives, such as office space for nonprofits, program facilities, hospitals, nursing homes (excluding assisted living facilities), and day-care centers;
- Public or private infrastructure projects, such as roads, sidewalks, utilities, and sewers.

Eligible Financing Activities

Members may use CDA funds to:

- Originate eligible loans;
- Fund eligible loans that were originated up to three months before receiving the CDA;
- Refinance eligible economic development initiatives;
- Make loans to entities that, in turn, make loans for eligible economic development initiatives; or
- Purchase a participation interest, or provide financing to participate, in a loan consortium for eligible economic development initiatives.

NOTE: Financing to support member facilities (such as headquarters, branches, operations facilities) is NOT an eligible use for the CDA program.

Limits: Each member will have access to fund a maximum annual CDA limit of \$35 million.

To ensure that each member will fund no more than \$35 million in CDA funding during any one calendar year, each member's CDA limit and approvals will be managed based on the following calculation:

CDA: \$35 million Member Funding Limit

- Less any unexpired approvals with an available for disbursement balance greater than \$0
- Less CDA disbursements during current calendar year
- Less the total amount requested of any submitted (unapproved) CDA application(s)

The Federal Home Loan Bank of Boston reserves the right to further limit the total amount of CDA funding available or to limit the amount of CDA available per member without notice.

Application: Members can apply online for a CDA through the Bank's website at <https://housing.fhlbboston.com>. The Bank will review applications within 10 business days.

Available Products and Maturities: CDAs are available in maturities of one year and longer. Three kinds of advances are always available: Classic, Member-Option, and Amortizing. Classic Advances are fixed-rate advances with interest due monthly and principal due at maturity. Member-Option Advances are fixed-rate advances that are repayable without fee on specified cancellation dates. Other prepayment structures may also be available. Amortizing Advances are fixed-rate advances with monthly payments of interest and principal. Other terms and maturities may be available upon request.

Forward Rate Commitment: To guard against rising interest rates, members may purchase a forward rate commitment to lock in the current rate for disbursement on a future date. Members may call our Member Funding Desk at 800-357-3452 for pricing information on forward rate commitments.

Take-Down and Disbursement: Taking down a CDA is simple. Once the application is approved, the member calls our Member Funding Desk to take down the funds.

Expirations: Approvals for CDA expire six months from the date of approval. If a member is unable to take down a CDA within the specified take-down period, the member may submit a new application, provided that the funds requested are within their CDA limit availability.

Spread: When making a loan using the funds from a CDA, the member's spread on the loan may not exceed its standard spread on similar loans.

Reporting: Applications approved under the CDA program are subject to the Federal Home Loan Bank of Boston's "Beneficiary Eligibility" reporting requirement. Members can provide documentation supporting program eligibility at the time of application or after disbursement. Documentation is subject to review and confirmation of compliance by the Federal Home Loan Bank of Boston.

Income Eligibility: For loans qualified by income, the household income must be at or below 115% of area median income for a rural initiative or 100% of area median income for an urban initiative for a family of four based on the income guidelines as published annually by [HUD](#). For loans qualified by income for the location, the census tract in which the property is located must be **at or below** 115% of area median income for a rural initiative or 100% of area median income for an urban initiative for the area as determined using www.ffiec.gov for the address or census tract.

Geographic Beneficiary

The initiative is located in an income-eligible neighborhood.

An income-eligible neighborhood is defined as a census tract in which the median family income is **at or below** 115% of area median income for a rural initiative or 100% of area median income for an urban initiative for the area. The Bank uses www.ffiec.gov to determine the eligibility of each address or census tract.

The initiative is located in a Champion Community.

A Champion Community is a community that developed a strategic plan and applied for designation by either the Secretary of HUD or the Secretary of the United States Department of Agriculture (USDA) as an Empowerment Zone or Enterprise Community but was designated a Champion Community.

The initiative is located in an Empowerment Zone.

An Empowerment Zone is an area so designated by either the Secretary of HUD or the Secretary of the USDA.

The initiative is located in an Enterprise Community.

An Enterprise Community is a community so designated by either the Secretary of HUD or the Secretary of the USDA.

The initiative is located in a Community Adjustment and Investment Program (CAIP) Area.

A CAIP area is an area that has experienced significant job losses as a result of increased imports from Canada and/or Mexico following the implementation of the North American Free Trade Agreement (NAFTA). These communities receive financial and technical assistance from USDA and SBA.

The initiative is located in a brownfield.

A brownfield is an area that involves a property eligible for a Brownfield Tax Credit.

The initiative is located in an Indian area.

An Indian area is an area defined by the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4101 et seq.).
